Julissa Aguilera

Submitted by Sarah Jackson

I have had the pleasure of having Julissa as a student for 2 out of the 5 classes that she is required to take during the year she is enrolled as a cosmetology student. I am nominating Julissa Aguilera for the outstanding student of the year for many reasons. Julissa always shows up to class with a willingness to learn and apply the subject matter being taught. She always takes her time with her projects to ensure that she gets it right. She is respectful to both the students and the staff and always has a positive attitude. I have no doubt in my mind that Julissa will be successful in the cosmetology field. Her hard work and determination will take her far.

Julissa's Words of Gratitude

I cannot begin to explain how honored I am to be receiving this award. At the beginning of this program, I could barely manage a few braids and being able to accept this award wasn't something I could have even imagined. I couldn't have asked for a more amazing set of teachers to guide me through my time at the Cosmetology Academy. I am so thankful for their devotion to our program, all while working with us through only a screen. I would like to give a more personal thank you to one of my teachers, Sarah Jackson. Not only has she led me towards the path to becoming the best cosmetologist I can be, but has also shown me an endless amount of compassion and encouragement throughout my cosmetology journey. Words cannot express how grateful I am for the lessons I've learned with her.
